

Wind Tre is partner of the sustainability Festival

Rome, 12th may 2017

Wind Tre is a partner of the first edition of the Sustainable Development Festival, an awareness raising event organized by ASviS, the Italian Alliance for Sustainable Development. The event aims to draw attention to the main themes of 'Agenda 2030 for Sustainable Development'. The Festival will take place from May 22nd to June 7th throughout the country, with numerous meetings, cinemas and gastronomic events designed to engage and raise public awareness.
