

Wind Tre brings Open Fiber ultrafast connection in Brindisi (Southern Italy)

Rome, 20th november 2018

Wind Tre, together with Open Fiber, is the first telecoms provider to bring in Brindisi the ultra-fast fiber with Fiber-To-The-Home technology (FTTH), the only which allows to arrive directly into citizens' homes and offices.

Wind Tre and Open Fiber thus cover Brindisi with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second.

Wind Tre ultra-fast line is available with a set of convergent offers, including up to 1000 Mbps fiber connection and a lot of mobile Giga: those who choose Wind Fiber can have 100 Giga to be shared with the family's sim cards for, while those who choose 3 offer can have unlimited Giga on their smartphones.
