

Wind Tre: the ultrafast Fiber connection at up to 1 Gigabit arrives in Parma

Rome, 27th november 2018

Wind Tre, together with Open Fiber, is the first telecoms provider to bring in Parma the ultra-fast fiber with Fiber-To-The-Home technology (FTTH), which allows to arrive directly into citizens' homes and offices.

Wind Tre and Open Fiber thus widen their coverage of Emilia Romagna with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second. Wind Tre ultra-fast line is available with a set of convergent offers, including FTTH connection and a lot of mobile Gigabytes.
