

Wind Tre is in Forlì with the FTTH ultrafast connection

Rome, 27th december 2018

Wind Tre, together with Open Fiber, is the first telecoms provider to bring to Forlì the ultra-fast fiber with Fiber-To-The-Home technology (FTTH), which allows to arrive directly into citizens' homes and offices.

Wind Tre and Open Fiber thus widen their coverage of Forlì with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second.

Wind Tre ultra-fast line is available with a set of convergent offers, including FTTH connection and a lot of mobile Gigabytes.
