

Wind Tre reaches Pavia with ultrafast FTTH connection

Rome, 3rd January 2019

Wind Tre, led by Jeffrey Hedberg, is the first telecoms provider to bring directly into the citizens' homes and the offices of Pavia Open Fiber's ultrafast connection with Fiber-To-The-Home technology (FTTH). Wind Tre and Open Fiber thus extend their coverage of Lombardy with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second. Wind Tre ultra-fast line is available with a set of convergent offers, including both FTTH connection and mobile data traffic.
