

## **Wind Tre reaches Firenze with ultrafast FTTH connection**

Rome, 14th January 2019

Wind Tre is the first telecoms provider to bring Open Fiber's ultrafast connection with Fiber-To-The-Home technology (FTTH) directly into the citizens' homes and the offices of Firenze. Wind Tre and Open Fiber thus extend their coverage in Tuscany with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second. Wind Tre ultra-fast line is available with a set of convergent offers, including both FTTH connection and mobile data traffic.
