

## **Wind Tre reaches also Rho and Bollate with ultrafast FTTH *connection***

*On the occasion of the launch in the two municipalities of the Milan hinterland, fiber offers are available at a special price.*

Milan, 21th january 2019

Wind Tre brings Open Fiber's ultrafast connection with Fiber-To-The-Home technology (FTTH) directly into the citizens' homes and the offices of Rho and Bollate. Wind Tre and Open Fiber thus extend their coverage in Milan hinterland also available in Sesto San Giovanni, Bresso, Opera, Rozzano, Buccinasco, Segrate, Pioltello, Vimodrone, San Donato Milanese, San Giuliano Milanese, Cornaredo, Corsico, Settimo Milanese and Trezzano sul Naviglio, as well as in many other Italian locations, through an infrastructure that guarantees maximum performance in browsing.
