

Wind Tre brings ultrafast connection with speeds up To 1GBPS in Livorno

Rome, 29th January 2019

Wind Tre, led by Jeffrey Hedberg, is the first telecoms provider to bring Open Fiber's ultrafast connection with Fiber-To-The-Home technology (FTTH) directly into the citizens' homes and the offices of Livorno. Wind Tre and Open Fiber thus extend their coverage of Tuscany with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second. Wind Tre ultra-fast line is available with a set of convergent offers, including both FTTH connection and mobile data traffic.
