

Wind Tre presents the 'Road to 5G Event' in the framework of 'Milan Digital Week'

Rome, 14th march 2019

'Road to 5G' is Wind Tre's event scheduled tomorrow at Milan's Luiss Hub, during the 'Milan Digital Week'. The event will be focused on innovation and digital transformation topics, with the involvement of technology experts and the communities working on these issues, during which it will be possible to experience the Wind Tre's 5G use cases.
