

Wind Tre brings connectivity with up to 1 Gigabit speed to Reggio Emilia

Rome, 2nd april 2019

Wind Tre brings Open Fiber's ultrafast connection with Fiber-To-The-Home technology (FTTH) directly into the citizens' homes and the offices of Reggio Emilia. Wind Tre and Open Fiber thus extend their coverage with an infrastructure that ensures the best browsing performances and supports high speed connection of up to 1 Gigabit per second. Wind Tre ultra-fast line is available with a set of convergent offers, including both FTTH connection and mobile data traffic.
