

Wind Tre and Open Fiber extended the agreement for the deployment of ultrabroadband connectivity in Italy

Rome, 3rd october 2019

The partnership between Wind Tre and Open Fiber for Fiber To The Home connectivity in Italy is extended. Wind Tre and Open Fiber extend their strategic agreement for the deployment of ultrabroadband FTTH services to reach over 7,000 municipalities in the next two years, on top of 271 italian cities where the partnership is already in place.
