

Wind Tre extended FTTH coverage reaching Bologna's hinterland

Rome, 23th october 2019

Wind Tre arrives the hinterland of Bologna, reaching San Lazzaro di Savena, Casalecchio di Reno, Castel Maggiore and Castenaso, with Open Fiber FTTH connection up to 1 Gbps. Wind Tre continues to extend ultra-fast connectivity on the Italian territory with fiber optic services up to 1 Gigabit, reaching directly homes and offices thanks to Fiber To The Home (FTTH) technology. The ultra-fast Wind Tre connection can be activated with the new "Super Fiber" converging solutions that offer the "Super Wi-Fi" service at home.
